Angel Gate is located in Islington, North London. It is a red-brick built gated business village, comprising approximately 30 units. The FPM is housed in unit 19.

The nearest underground station is Angel, on the Northern Line, just 7 minutes' walk away.

On arrival at Angel Gate, you can use any entrance to gain access to the site. Please note that entrances 1 and 5 do not have step-free access. At the gate key '19' then 'call' into the keypad or select 'Faculty of Pharmaceutical Medicine' from the menu. You will be connected to the FPM office who will open the gate for you.

At the door to unit 19 ring the buzzer to gain entrance to the building.
