## Advance Notification to Members of proposed changes to the Articles of Association to be considered at the AGM on 13 November 2019

A change in Articles of Association is proposed to allow the removal of membership when a member is in arrear in paying their subscription for a period of time as defined by the Board in the FPM Regulations.

A change to the Articles of Association requires a special resolution at the AGM and is passed if approved by at least 75% of the votes cast at the AGM by members personally present or by their proxies.

If the special resolution is passed, the FPM Board would approve the variation to the Regulations as noted below.
