

## ARCP checklist for the trainee

PMST Curriculum		
Have you:	Y	N
Linked your evidence to the module items?		
Completed 5 - 10 workplace-based assessments (WPBAs) across the curriculum using the full range of WPBAs?		
Reflected on your evidence at module item level (i.e. explained how their evidence demonstrates your achievement of the curriculum competencies)?		
Met the rate of progression according to the ARCP decision aid for your year of training? If your training was disrupted by the Covid-19 pandemic, you must refer to the JRCPTB's <a href="#">ARCP decision aid for specialties during the pandemic</a> and our <a href="#">specialty specific guidance</a> .		
Rated as "Achieved" your completed module items?		
Undertaken MSF (only required in ST4 or ST6) with at least 12 responses and has your Educational Supervisor released the MSF summary report?		
Revalidation		
Have you:	Y	N
Completed Form R Part B in full?		
Completed the Wider Scope of Practice Form if you undertake other work as a medical practitioner outside your pharmaceutical medicine post for training or because you are out of programme career break (OOPC)?		
Covid-19		
Have you:	Y	N
Completed the <a href="#">'Trainee self-assessment and declaration for use in ARCPs during Covid-19 pandemic'</a> and sent a copy of your completed form to your Educational Supervisor so that they can verify it in their 'Pharmaceutical Medicine Supervisor's Report'?		
Agreed an action plan with your Educational Supervisor how to complete items of the curriculum that you were unable to achieve because of the impact of the Covid-19 pandemic, and has your Educational Supervisor recorded the action plan in their 'Pharmaceutical Medicine Supervisor's Report' or 'Pharmaceutical Medicine Annual Appraisal'?		

**GMC National Training Survey (NTS)**

**Has the trainee:**

Uploaded your survey completion code to their e-portfolio personal library or explained why you did not complete the survey?
