

## Quick guide to the trainee e-portfolio for trainees following the new 2021 PMST curriculum

## 1. The new 2021 PMST curriculum

Trainees who are following the new 2021 PMST curriculum must link all their evidence, reflective practice commentaries and workplace-based assessments to the **'Physician Pharmaceutical Medicine 2021 Capabilities in Practice (CiPs) (PHM001)'** on their e-portfolio.

## 2. The workplace-based assessments and MSF of the new curriculum

Trainees must use the workplace-based assessments (WPBAs) associated with the new 2021 PMST curriculum only. The WPBAs are:

- Pharmaceutical Medicine Assessment Tool (PMAT) 2021
- Pharmaceutical Medicine Observation Assessment Tool (OAT)
